HIGHWAYS AND BYWAYS

The Iris Staff presents "Highways and Byways" as the theme for the 1957 IRIS. "Highways" represents the academic part of the past year -- your teachers, your friends, and yourself. "Byways" includes extra-curricular activities -- sports, clubs, and student government.

"Highways and Byways" symbolizes a journey through four years of education and recreation. Those who entered South City High as Freshmen have just begun their journey. The Seniors have completed this journey, but have a long road ahead of them. Follow us now as we travel once more this avenue of 1956-1957 that has meant so much to us.

Meton Gadelha

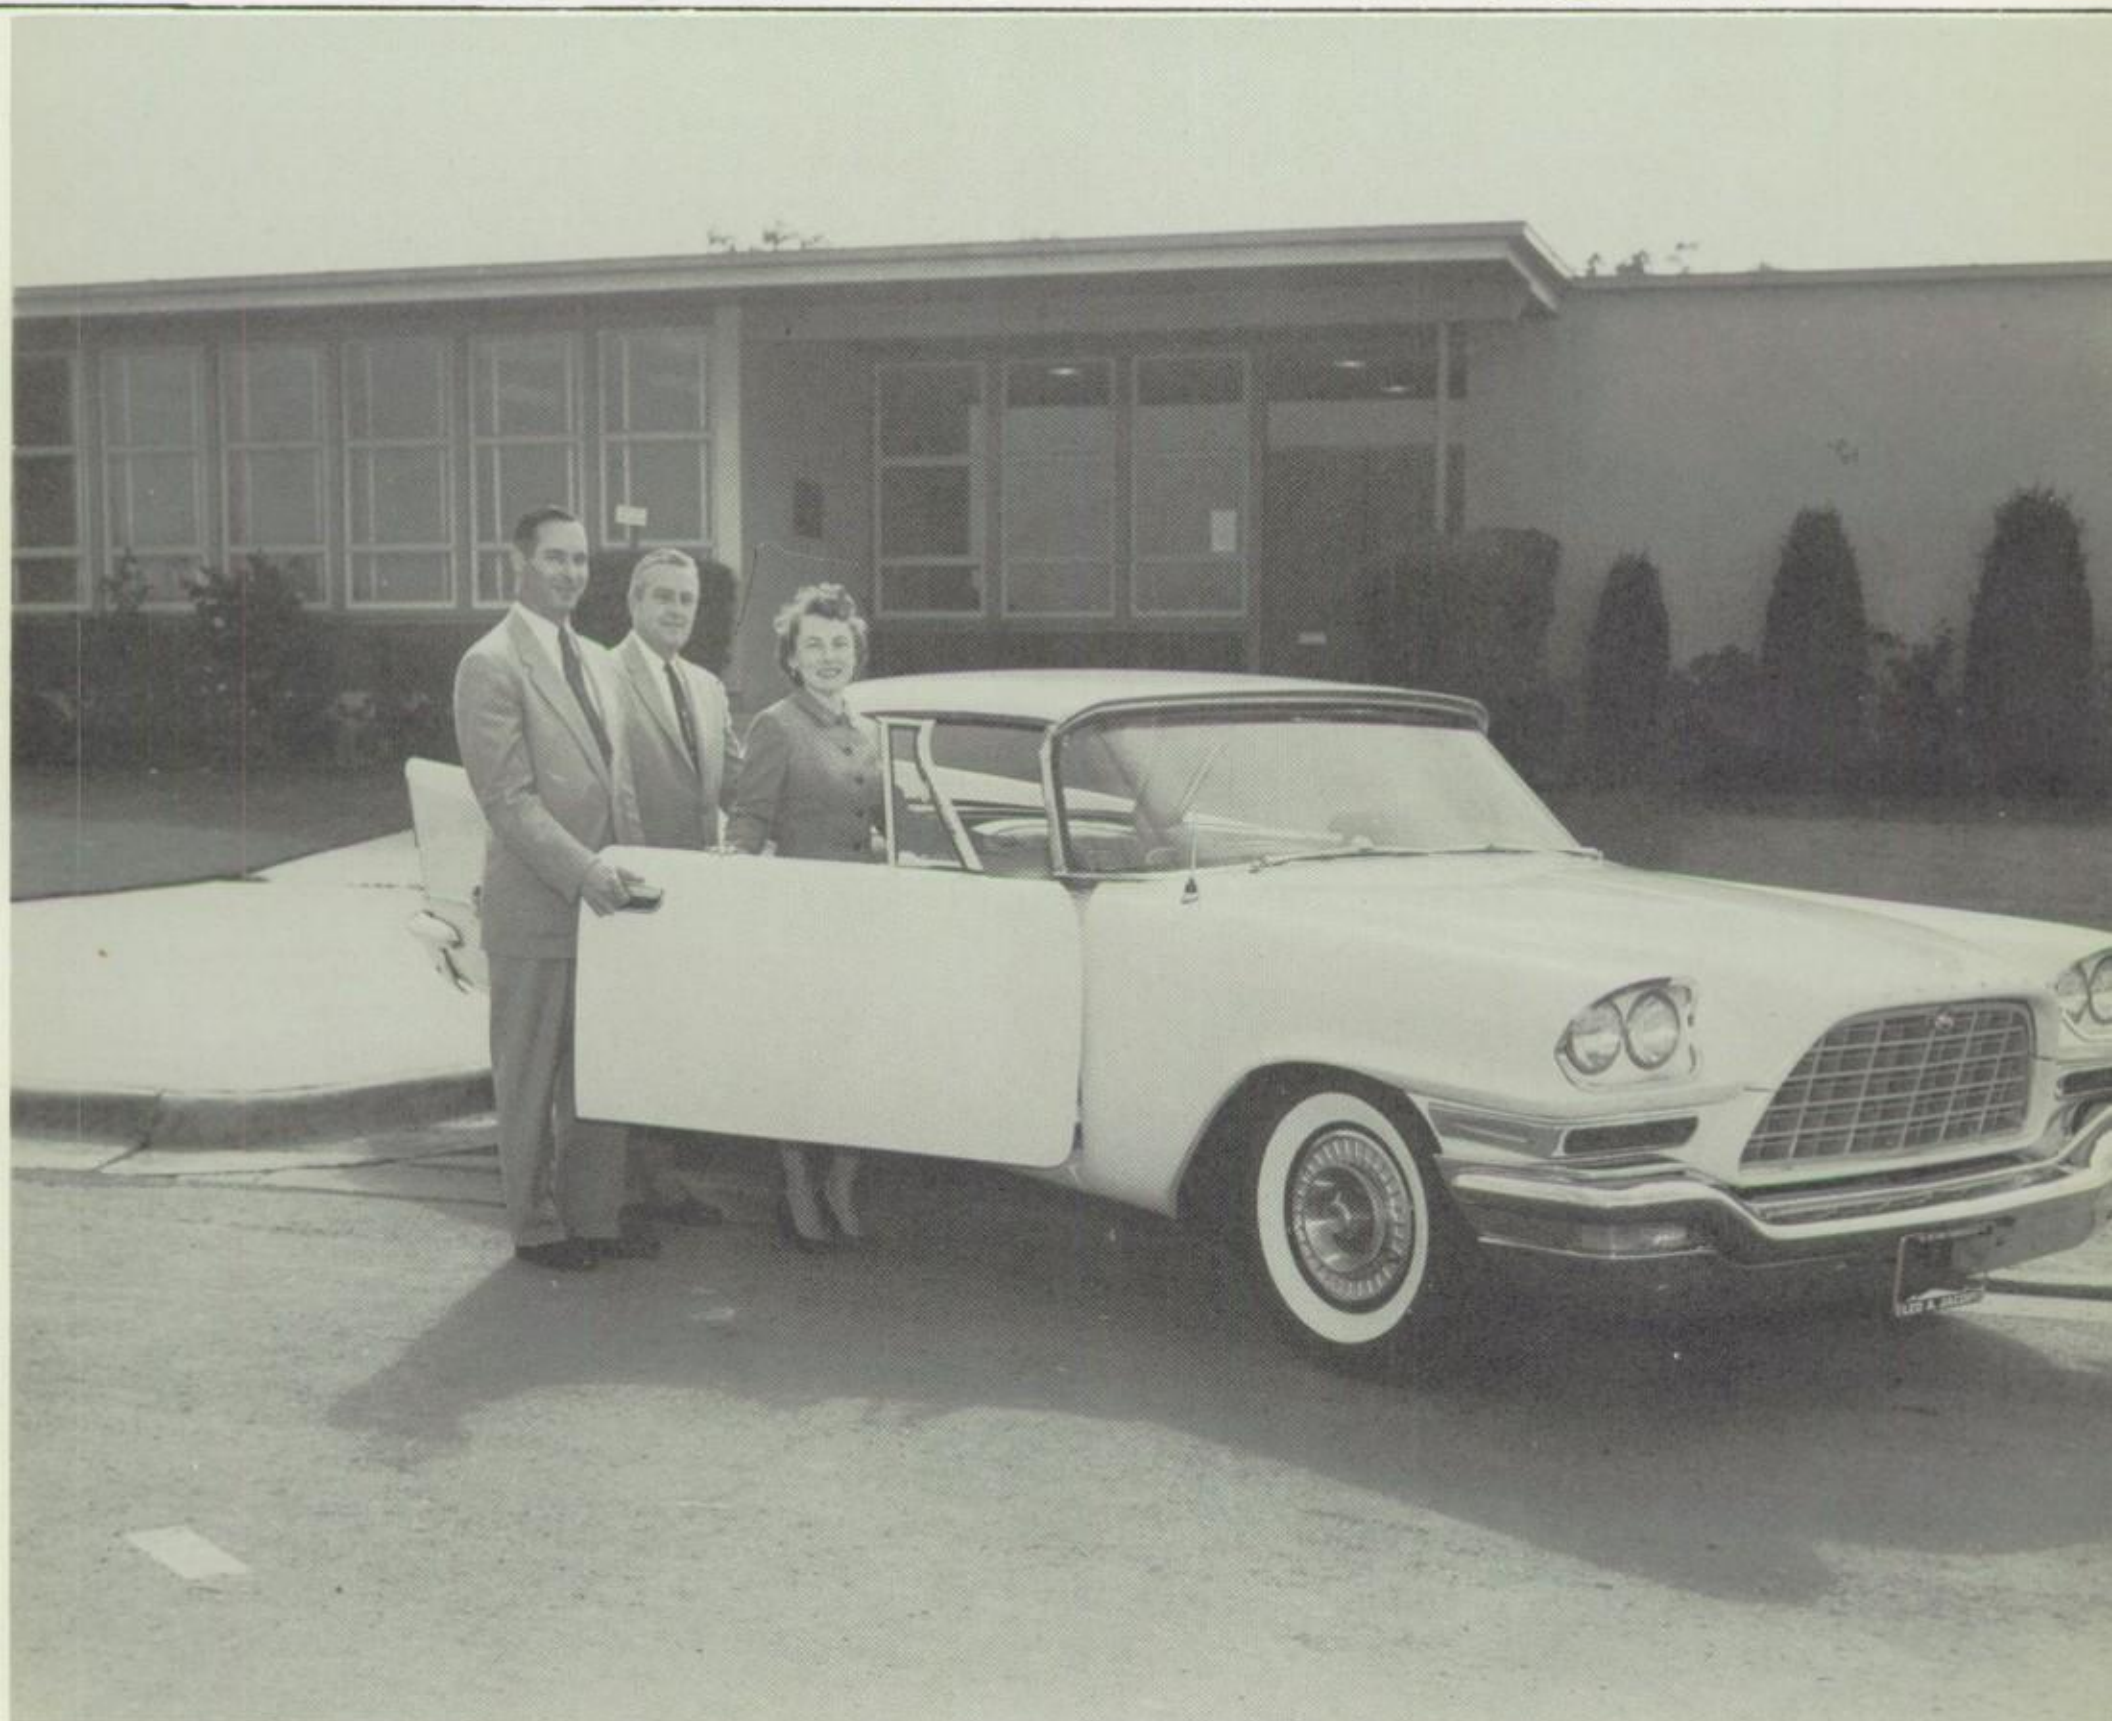

DEDICATION

The 1957 Iris is dedicated to Meton Porto Gadelha, South San Francisco High School's first foreign exchange student. Meton hailed from Brazil, was seventeen years old, and was called "Ton" by his friends. Because of his high scholastic average and outstanding character, Ton was chosen by the American Field Service to make use of the scholarship raised by the students of South City. He lived during his stay in the United States with Mr. and Mrs. Paul Engbretson and family, and Mr. and Mrs. B. J. Giachetti and family. He was elected Student Body Vice-President, and was very active in school affairs.

Ton was well-liked for his friendly personality and his interest in our way of life.

FACULTY

COURTESY OF TOM SUTTER

These past four years obviously could not have been complete without our steadily increasing faculty. They have given us both moments of pleasure and hours of homework. They are our leaders and our friends. Some doubled as counselors as well as teachers, helping us with personal as well as classroom problems. One of the best examples of loyalty to our school is Miss Rue Clifford, assistant to the librarian, who is pictured at the right. As proof of her devotion to the school, she has taught for forty-three years and has worked in the library for the past two years.

SENIORS

COURTESY OF ROD FORD

Class of 1957

The Class of 1957 is now completing a very successful four years. As a class, we participated in and won three consecutive swim meets; this year our boys took first place in the volleyball tournament. Our members have been active in sports, clubs, and other extracurricular activities throughout the four years. However, all our accomplishments were not in the field of extracurricular activities. A high percentage made the Superintendent's Honor Roll every semester. Class rings were chosen in our sophomore year. Some of our Junior Class activities included a picnic, prom, and carnival. Our Senior Ball, "Syanara" drew a large crowd. The enthusiasm of the Senior Class was shown by the unexpected turnout of senior boys who had never participated in sports before, and the number of senior girls who attended all athletic events. We are proud of our spirit and ambition.

Ray De Jong, N.P.A.L. Coach of the Year, stresses strategy at half time which led to a 7-6 upset over Capuchino.

The story of the success of the Warrior football team this year might well be symbolic of the tremendous spirit of the South City High Student Body. This year's eleven was ticketed by many of the P.A.L. mentors and peninsula sports scribes for sixth place in a 7 team league. But after a

Joe Butcher

ALL AMERICAN

South City has produced an All American. Joe Butcher was named to the 1956, seventy-eight man All American high school football team. Butcher's top flight play throughout the season made it seem inevitable that he would receive this recognition. He was the backbone of the South City defense, and produced many "aahs" from the crowds with his consistently fine, bone-crushing blocks. Joe proved to be a determining factor in the Warrior's eventual winning of the co-championship.

"Butch" played first string varsity guard in his sophomore year after being pulled up from the Frosh-Soph. His junior year found him unanimous choice All P.A.L. guard. Surpassing all expectations for greatness in his last year of high school football, he was honored as Northern California lineman of the year, and then went on to win the ultimate of athletic honors for himself and for his school.

CROSS COUNTRY

The South City thin-clads finished their season honorably after a slow start. The frosh-soph team finished sixth in the P. A. L. and the varsity finished seventh. Swiftest over the 1.9 mile course was Ted deWilde. Although only a freshman, Ted Sometimes competed on the varsity. Veteran Fred Pariani was the most consistent varsity runner with Richard Mickey always showing well. Freshman Fred Leggero showed much promise. The varsity boasted wins over Hillsdale and Westmoor. The frosh-soph runners didn't win a dual meet, but came through in the P. A. L. final to defeat several teams which had previously beaten them.

This year's Frosh certainly did not even come close to being the most impressive team in the league as far as the won-loss column goes. Their record does not completely show the whole story. Their record of no wins, four losses, and three ties appears to be a lost cause. However this was not true. Almost completely lacking of past high school experience they showed one outstanding strong point. This was their brilliant defensive work during the season. Any coach will tell you that you can't make a player good defensively unless he has a natural knack for it. Although they could not build an offense as brilliant as their defense, they gained the one thing they were lacking, experience. So it could be said this team had a successful season from the standpoint that they built a strong foundation for a future winning team.

The D's basketball team, coached by Jim Snowden, did not fair too well this year. They placed 6th in league play. The majority of their losses could be attributed to a lack of height. Although the team hustled as hard as any team in the league, their inability to get rebounds kept them from winning more games. Despite this sub-par season the future looks bright for the coming season.

This year's C basketball team was a little bit of a surprise to South City. Coached by Jim Snowden in his second year at South City, they finished in third place with a record of five wins and three losses. The team, which was comprised partly of players from a D's team which had a poor season last season, was very successful this year.

This year's Varsity cagers, although they finished with a 5-7 won-loss record, were a hustling, fighting team all during the year. Led by Dick Abold's consistent scoring, the diminutive Warriors could give anyone a good battle on any given day. Darrell Slafter, the only big man for Coach Don Guthrie's crew, did a yeoman job on the boards all during the season. The Warriors were dealt a harsh blow when playmaker Jim Felsenthal broke his foot midway through the second round and was out for the remainder of the year. Other boys who played consistent ball during the year were Jim Stireman, Dick Lopez, Joe Dew and Ray Sacilotto.

The B team, guided by Jim Snowden in his initial year coaching the B team at S. S. F., had a very successful season. The team finished the season in third place with a record of seven wins and five losses. Playing the part of the league spoilers, they beat every team at least once, except Capuchino, the league champions. If it had not been for the loss of key players in a number of games, they might have fared even better, but it was still a highly satisfying season.

ROW 3, left to right: Bob Howe (Asst. Coach), Jim Stireman, Rod Ford, Charles Peters, Dan Diankoff, Dan Ruiz, Monte Young, Tom Davis, Gary Frink, Don Ragsdale, Warren Hagberg (Asst. Coach), Connie Kazarinoff (Coach).

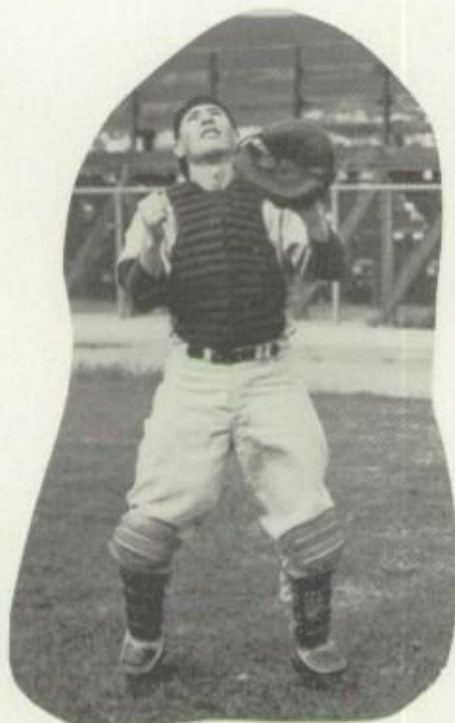

The 1957 Warrior C track team was the best track team in the history of South San Francisco High School. Led by John Yantis and Darold Lennier, the South City 120's overwhelmed all of their North P. A. L. opposition except for the perennially strong San Mateo Bearcats. The Varsity and B thinclads, while losing most of the dual meets to stronger league opponents, came up with some outstanding individuals. Ed Giachetti, Senior, an outstanding 880 and mile runner, racked up lots of first places. Versatile Jim Stireman, a consistent shot and discuss man, also picked up valuable points in the sprints. Rod Ford developed into a fine shot putter. Gary Frink, after recovering from a leg injury, became an ace low hurdler. In the B's, Monte Young, Bill Yeager, Gabino Caballero, and Dan Ruiz were the big guns.

Prospects for the Varsity baseball team this season looked very bright. Returnees from last year's N.P.A.L. championship team were Gil Ullery, Dick Lopez, Darrell Slafter, and Joe Butcher. With these players forming a nucleus, a good crop of players from last year's frosh team, plus a number of Seniors who were sidelined last year, the Blue and White figured to be the league spoilers this year. With all this material, and a new J.V.'s team coached by Tom Gaffney, Varsity coach Frank Kelly expected a satisfying season.

With two new gym teachers, Miss McMillan and Miss Porter, and two "veterans" of one year, Miss Oliver and Miss Carmichael, the girls had a variety of sports. Fall found us playing outdoor games like tennis, speed-away, archery, touch football, and hockey. With the coming of the rainy season we moved inside for tumbling, folk dancing, table tennis, volleyball, basketball, and badminton. Spring found us ready for sun, swimming, and soft-ball. Interclass sports became more popular. Seniors found the Juniors giving them competition in everything from basketball to volleyball. We will always remember 1956-57 as a year of fun, activity, and, of course, variety.

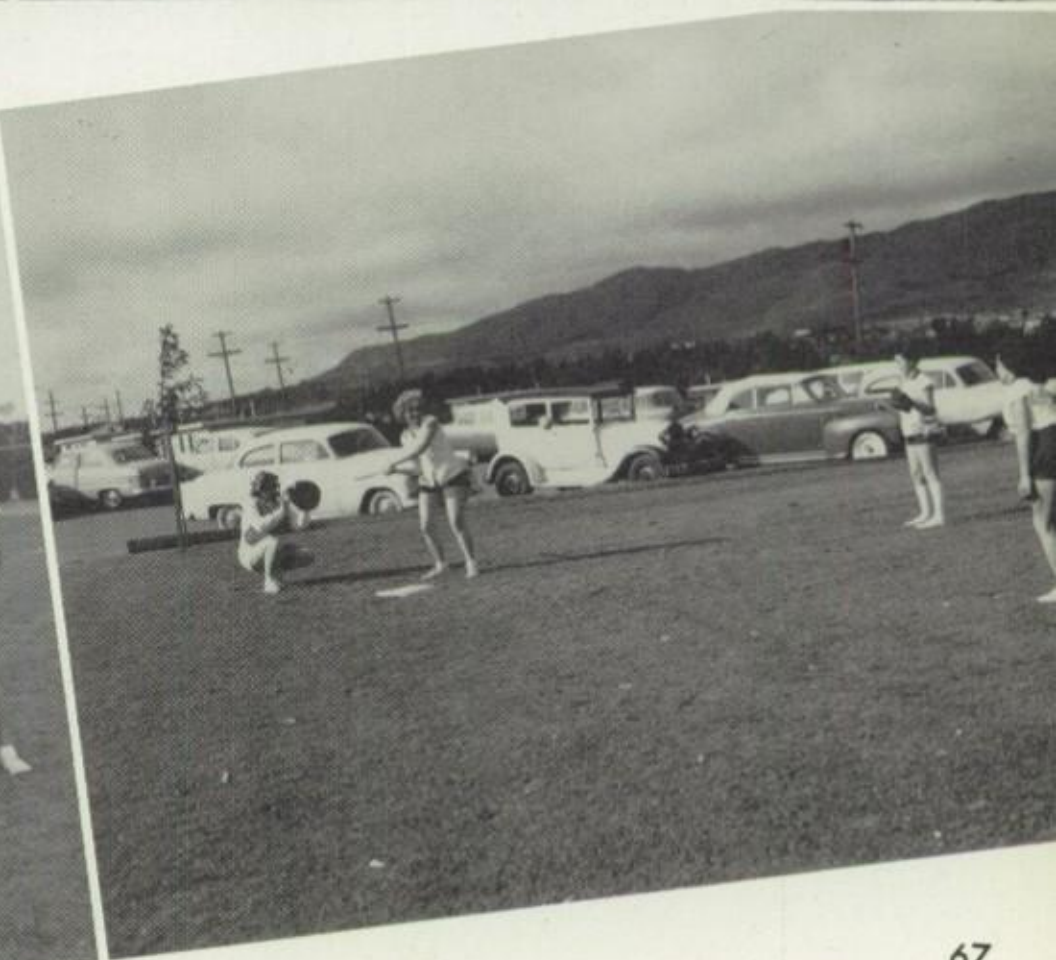

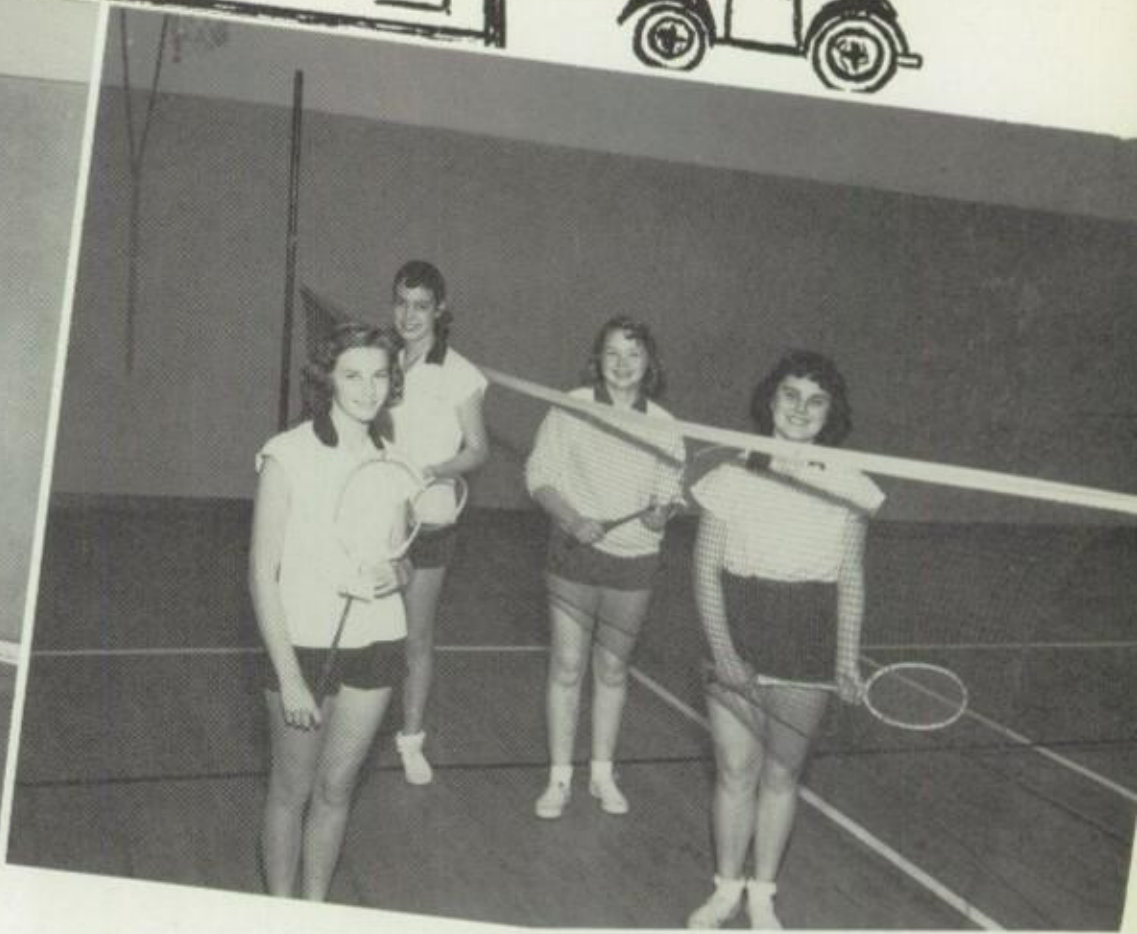

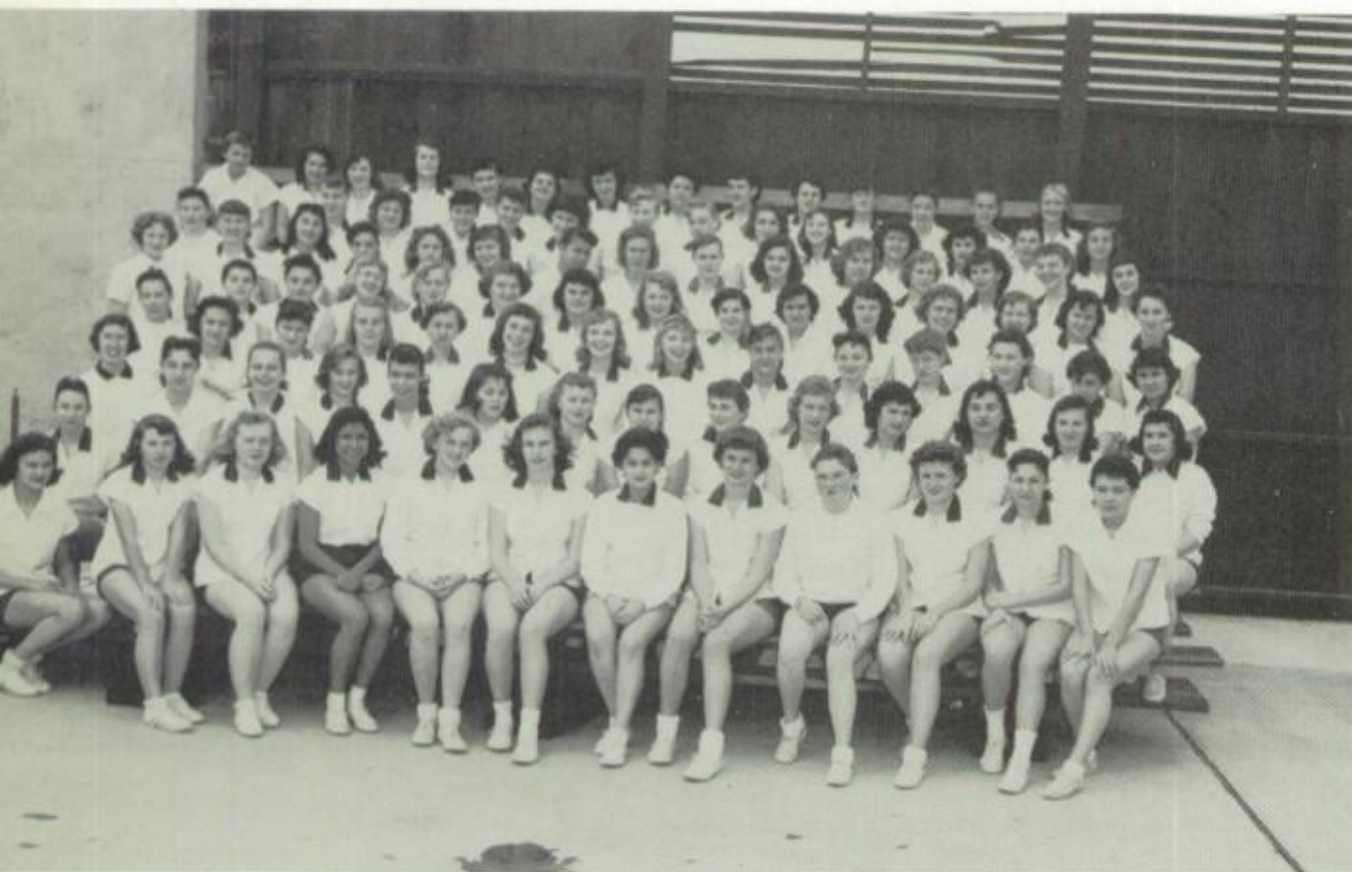

GIRLS

SPORTS

GP S A

G.P.S.A. members attended playdays and entered interclass meets. Volleyball, basketball, and badminton were major sports in which the girls participated. A new point system was established and blocks were awarded to the most active girls.

MODERN DANCE GROUP
this new group showed us a true example of modern dancing at our Christmas assembly. These girls show promise and initiative.

SWIM CLUB - for their swim show production, unusual numbers were presented. One of the most outstanding performances was the one given by the Seniors. These girls have added an important part to G.P.S.A.
